Postgraduate Short Course Discount Offer #3

30% Discount (>53% Overall) on Video-Enhanced Online Postgraduate Short Courses, For Three or More Participants

We offer 30% discount, for 3 or more participants to any Video-Enhanced Postgraduate Diploma or Postgraduate Short Course. Please note that these courses have already been discounted by 33%, in our pricing structure. This additional discount brings the total level to more than 53%. The cost of three people, on a Video-Enhanced Online Course, lasting 10 Days (3 hours per day), is £7,035, instead of £10,050, representing the normal cost.

Courses might also be taken through our Video-Enhanced On-Line mode, which is the same as being in a classroom – but virtually.

- a) This Video-Enhanced Online mode of delivery is Revolutionary and currently unique to HRODC Postgraduate Training Institute.
- b) The tutor will meet the group on Video and present the course, in the same way as though in a classroom.

- c) All participants will be able to see and interact with each other, and with the tutor.
- d) They will watch and discuss the various video cases and demonstration videos that form an integral part of our courses.
- e) Their assessment is structured in the same way as it is done in a classroom setting.
- f) The Video-Enhanced On-Line mode of training usually starts on the 1st of each month, with the cut-off date being the 20th of each month, for inclusion the following month.
- g) It will last twice as long as the classroom-based deliveries. For example, a 5-days (30 Credit Hours) classroom-based course will last 10 days, in Video-Enhanced On-Line mode. This calculation is based on 3 hours tuition per day, making the Institute's required 30 Credit Hours.
